Working Together to Grow Mighty Oaks

Issue no. 1 - Autumn Term

Friday 6th September 2019

A message from Mr Riggs, Acting Head of School

Dear Parents,

What a fantastic start we have had to the new academic year! The children have settled remarkably well into their new classes and embraced all the excitement and determination that a new year brings.

Our focus for the past two days and moving into next week is 'Learning to Learn'. The aim of this is to equip the children with a number of skills that they can utilise throughout their learning for the rest of the year. Some of the key skills that the children have been practising are: resilience, responsibility, resourcefulness, readiness and reflectiveness. We have also been looking at how we can develop a 'growth mindset' to ensure we are getting the most from our brains at all times. We will continue to visit these concepts throughout the year.

A big thank you to everyone who attended our 'Meet the Teacher' sessions. If you were unable to make any of these and would still like to meet with your child's class teacher, please do not hesitate to pop into the school office to book an appointment.

I look forward to getting to know as many of you as possible over the coming weeks.

Have a great weekend!

Tom Riggs
