A message from Mr Riggs, Acting Head of School

Dear Parents,

The first thing that you may notice in this edition of 'The Braddock Blurb' is the change to the tagline underneath the title. Accompanying this newsletter is a letter that explains the reason for this change.

The children have risen to new challenges and experiences and really embraced the day-to-day changes we have made in response to COVID19. Children have been busy across all classes learning their new stories in our Talk for Writing lessons this week, in preparation for our termly Storytelling Competition next week. Across the school, we have also been getting to grips with our newest Maths resource entitled 'Power Maths'. The children have taken to the lesson structure and resources very well indeed.

For the coming weeks, we are going to trial holding our Celebration Assemblies on a Monday morning from now on. We believe that by celebrating the wonderful learning from the previous week first thing on a Monday, this will inspire everyone to start the week in a positive place whilst reminding us all of what we can do to **'Bring It!'** for the coming week.

We were pleased to invite lots of Salty Sea Dogs to school on Thursday, as lots of us embraced the opportunity to become a Pirate for the Day.

A big thank you to everyone who attended our 'Meet the Teacher' sessions. If you were unable to make any of these and would still like to meet with your child's class teacher, please do not hesitate to arrange an appointment by telephone or email your child's class teacher (email addresses below).

Have a great weekend!

Tom Riggs

Home Communication

Timely, succinct communication is a key priority for us at the moment. Please ensure that if you have recently changed your email address, that you share this with the school office by calling on 01579 326136 or by emailing secretary@braddock.cornwall.sch.uk

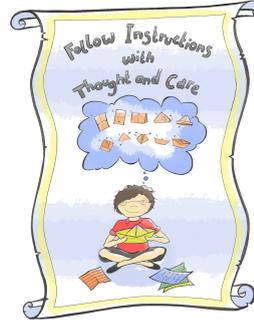

We are working to minimise the amount of paperwork being sent home. The majority of communication will take place by email and/or the MyEd app. We would recommend you download this app, if you have not already done so.

Don't forget, Braddock CofE Primary School is on Facebook. Like our page to ensure you receive the latest updates and photos of our latest adventures!

School Rules

We have been reminding the children about the importance of our school rules. As a reminder, these are:

If we see the children demonstrating these rules we will reward with:

- Verbal praise
- Dojo Points
- Certificates
- Whole class rewards
- Written or verbal communication home.

Dates for your diary...

COVID19 UPDATE

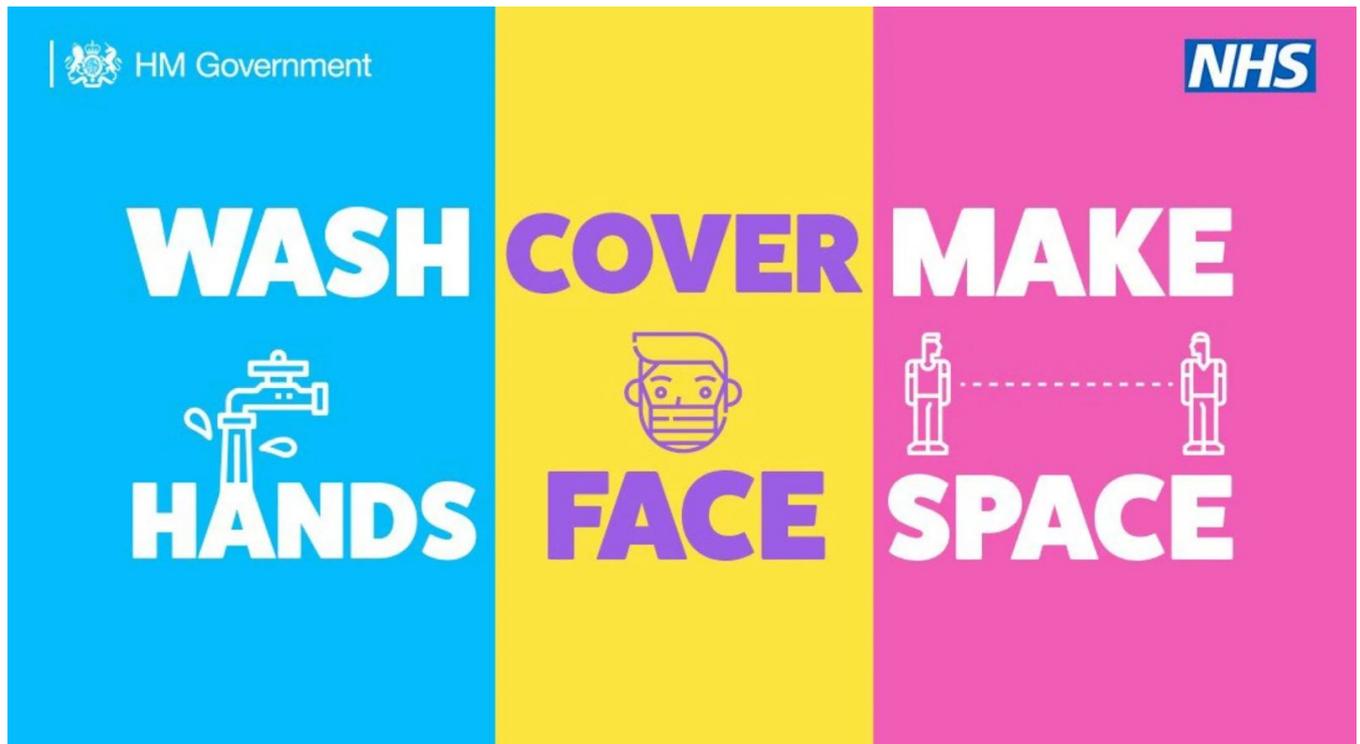

Please ensure that you remain in your vehicle until your child is ready to collect from the correct gate. We ask that parents do not congregate at the bottom of the steps or at the end of the ramp next to the Cherry and Year 1/2 exit. Thank you for your understanding.

Any child or parent presenting any of the three symptoms linked to COVID19 (below) will not be permitted entry onto the site.

The main symptoms linked to Coronavirus (COVID19) are:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.
